

Institutions Referral List

Updated: September 2022

The following is an alphabetical listing of professionals who do assessments and counselling for ADHD - ATTENTION DEFICIT (HYPERACTIVITY) DISORDER And LD - LEARNING DISABILITIES. Assessment services for students may also be accessed through your local school board process. We also maintain a resource center containing reference materials.

The Learning Disabilities Association of York Region does not endorse any of these professionals or organizations. We do endorse your right to know about them. We believe an informed parent is a child's best advocate.
